2006 PINOT NOIR

Garey Ranch Vineyard

Stephen Tanzer's International Wine Cellar - Nov 2008

90 pts "Deep red. Alluring red berry and floral aromas are complicated by Asian spices and incense. Youthful raspberry and blackberry flavors deliver impressive punch with no excess fat. Tangy, refreshingly bitter cherry and berry skin notes linger on the finish, which is admirably focused and spicy. I'd give this nicely balanced wine a few years to develop more complexity."
